

## MILLING MACHINE SHW UF 31 AUCTION

### Terms and Conditions

By placing a bid on any lot from above mentioned auction, you are agreeing to be bound by the [MachineSpot general Terms and Conditions](#) and the following auction specific terms and conditions:

<b>End of auction</b>	From <b>08-01-2020 09:00</b> to <b>08/01/2020 09:00</b>
<b>Inspection</b>	Viewing by pre-arranged term only
<b>Auction address</b>	105600, Campina, Romunija
<b>Bidding time extension</b>	If a bid is placed up to one minute before the end of lot bidding time, bidding time will be extended automatically by 2 minutes.
<b>Contact person</b>	Eva Cirnski, <a href="mailto:eva@machinespot.com">eva@machinespot.com</a> , +386 2 292 76 99, +386 40 511 512, ,
<b>Buyers premium</b>	VAT will be added to the winning bid. MachineSpot does not level a Buyers premium to the winning bid.
<b>Minimum prices</b>	For some lots of the auction minimum prices have been set! Should the minimum prices not have been reached, the seller of these items will be informed about the highest bids after the end of the auction sale. He will then decide whether the lots will be sold for the prices realized. If the seller agrees to sell an item to the highest bidder despite of the fact that the reserve price was not met, the potential buyer will be informed of the decision within two days from the auction's end. Until then, the submitted offer is binding. If a lot should not have met the minimum price yet, this is mentioned in the bidding box.
<b>Payment</b>	The amount must be effected to the MachineSpot bank account by / at the latest. A cash payment is possible only at the MachineSpot office, but not at the loading points. <b>Full payment cashed on our bank account is precondition for collection!</b>
<b>Bank account</b>	Buyers from Slovenia have to pay the VAT to the auctioneer.
<b>VAT Slovenia</b>	Buyers from Slovenia have to pay the VAT to the auctioneer.
<b>VAT (EU)</b>	<p><b>1. Collection by forwarder.</b> Intra EC deliveries subject to VAT are made at zero tax. The VAT has to be balanced by the buyer in his own country at its particular conditions on the sum of the purchase. Invoices are sent out net of tax. Upon registration it is essential that the buyer gives his intra-community VAT number, given to him by his tax authority. If this VAT number is not supplied, MachineSpot reserves the right to add the local VAT to the sum of purchases and fees.</p> <p><b>2. Self collectors by car or truck</b> (not by forwarder). For tax-free delivery we need the following documents:</p> <ul style="list-style-type: none"><li>• excerpt from the commercial register</li><li>• signed and stamped certificate of authority from the general agent to the collecting person (with the content, that the collecting person is allowed to pick</li></ul>

- up the purchased goods)
- copy of the passport of the collecting person
- acknowledgement of receipt in English language (provided by MachineSpot) signed by collector

Please note that a pick-up without any of the above mentioned terms is not possible. Otherwise we have to charge the full VAT. We are asking for your appreciation.

**VAT (non-EU)**

Foreign customers from states that do not belong to the EC do not have to pay VAT.

**Warranty info**

All assets are used and will be sold "as is, where is". No warranty or guarantee on any asset!

**Dismantling/Collection**

**Unless otherwise stated, the buyer is responsible for the dismantling, packaging and collection of the purchased items.** The collection of purchased items is only possible at the specified collection times. After the stated collection period has elapsed, demurrage of EUR 50.00 per day (plus VAT) will be charged. Collection supervision costs will also be payable

**Pick up time**

From Wednesday 15.01.2020 till Tuesday 21.01.2020, from 8.00 am till 14.00 pm

**Pick up address**

105600, Campina, Romunija

**Other information**

1. The buyer is responsible for ensuring that any equipment purchased may be exported from Slovenia into the buyer's country. If it is not possible to export the equipment purchased for any reason whatsoever, the buyer will still have to fulfill his obligations as per the purchase agreement entered into.
2. MachineSpot reserves the right to remove assets from this sale at any time.
3. Although every effort has been made to ensure that all information (technical details etc.) provided is from a reliable source, MachineSpot cannot be held responsible for the accuracy of this information.
4. Please note that the accessories mentioned in the manuals or machine cards do not have to be with the machines.
5. **Dimensions and weights are estimated.**
6. Please visit this page regularly, so you will be informed of any changes.
